

TABLE OF CONTENTS

About the Author.....	v
Preface.....	vii
How to Use This Manual.....	viii

CHAPTER ONE - ORAL SUBJECTS

Certificates and Documents	2
Airworthiness Requirements	2
Weather Information	3
Cross-Country Flight Planning	3
National Airspace System	4
Performance and Limitations	5
Operation of Systems	5
Aeromedical Factors	6
Preflight Inspection.....	6
Cockpit Management.....	7
Radio Communications and ATC Light Signals	7
Airport, Runway, and Taxiway Signs, Markings, and Lighting	8
Pilotage and Dead Reckoning	8
Spin Awareness.....	9
Radio Communications, Navigation Systems/Facilities and Radar Services	9
Systems and Equipment Malfunctions	10
Emergency Equipment and Survival Gear.....	10
Supplemental Oxygen.....	10
Pressurization.....	11

CHAPTER TWO - PREFLIGHT PROCEDURES

Engine Starting	14
Taxing	16
Before Takeoff Check	19

CHAPTER THREE - TAKEOFFS, LANDINGS, GO-AROUNDS AND TRAFFIC PATTERN OPERATIONS

Normal Takeoff and Climb	22
Crosswind Takeoff and Climb	24
Short-Field Takeoff and Maximum Performance Climb.....	27
Soft-Field Takeoff and Climb	30
Traffic Pattern Operations	33

Normal Approach and Landing.....	38
Crosswind Approach and Landing.....	40
Short-Field Approach and Landing	43
Soft-Field Approach and Landing.....	46
Power-Off 180° Accuracy Approach and Landing	49
Go-Around.....	52

CHAPTER FOUR - PERFORMANCE MANEUVER

Steep Turns	56
Steep Spiral.....	58
Chandelles	61
Lazy Eights.....	64

CHAPTER FIVE - GROUND REFERENCE MANEUVERS

Eights on Pylons	68
------------------------	----

CHAPTER SIX - NAVIGATION

Intercepting and Tracking a VOR, GPS, or LORAN Radial.....	72
Intercepting and Tracking NDB Bearings	74
Intercepting and Tracking Navigational Systems Profiles	76
Diversion	78
Lost Procedures.....	79

CHAPTER SEVEN - SLOW FLIGHT AND STALLS

Maneuvering During Slow Flight	82
Power-Off Stalls	85
Power-On Stalls.....	88

CHAPTER EIGHT - EMERGENCY OPERATIONS/POSTFLIGHT PROCEDURES

Emergency Approach and Landing (Simulated)	92
After Landing, Parking and Securing.....	94

APPENDIX

Abbreviations.....	96
Weight and Balance/Performance	97
ATIS.....	98
Diversion Checklist.....	99
Ordering Information	101
